## The Okura Prestige

### Project Overview

The Okura Prestige Bangkok is situated at the intersection of Wireless Road, known as "embassy row", and Ploenchit Road, the city's leading commercial district. Like many of Tokyo's best luxury hotels, newly opened The Okura Prestige Bangkok is located in a skyscraper, occupying the top floors of Park Ventures Ecoplex, an iconic landmark building.

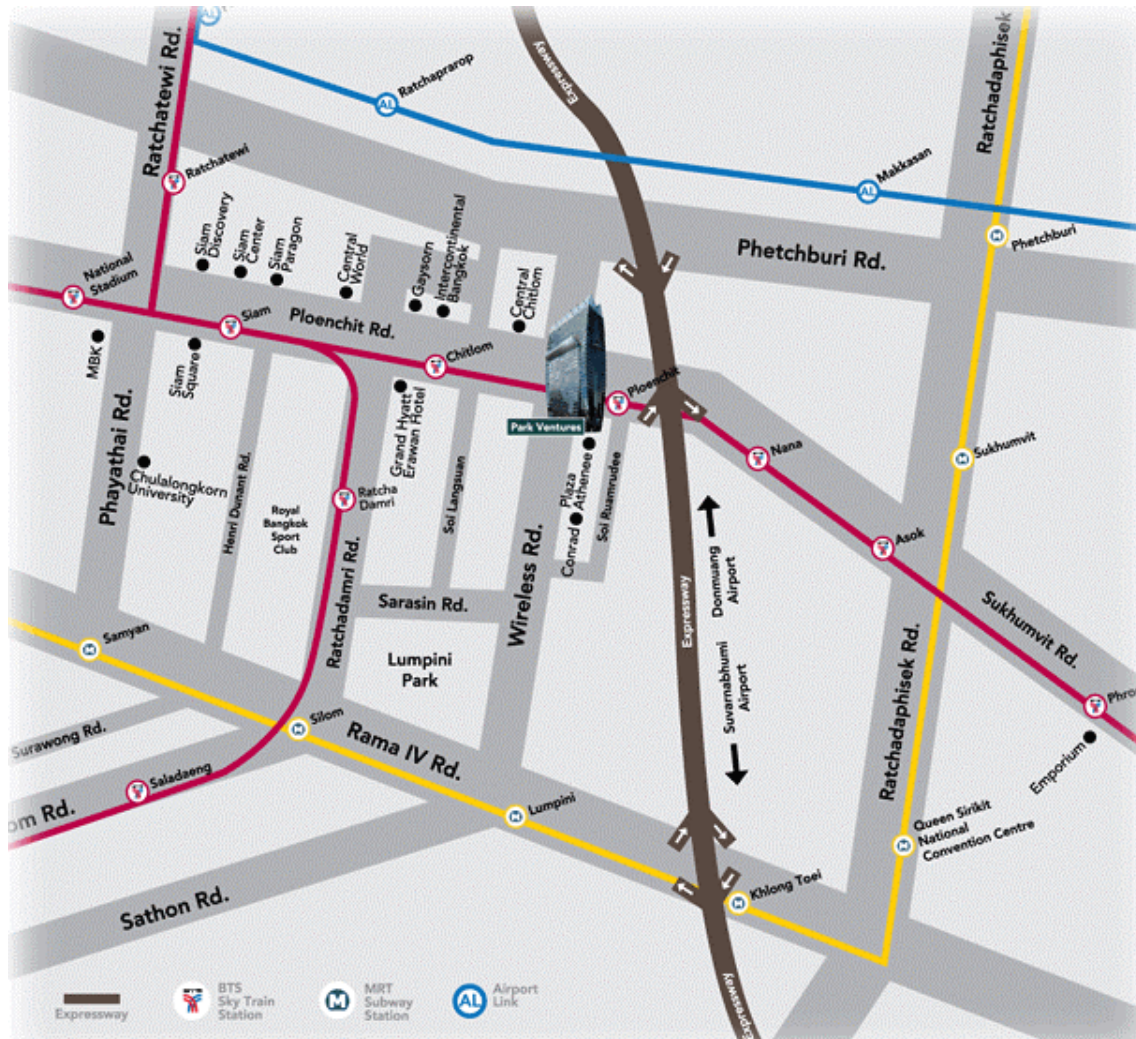

An exceptional design feature is the the gravity-defying 25-meter infinity pool, anchored to the outside of the 25th floor and adjacent to the gym and spa, creating a dramatic oasis high above the city. Guest accommodations are located above the 26th floor, offering spectacular views of Bangkok's skyline.

## Pullman Hotel G

### ***Project Overview***

The newly re-branded and renovated Pullman Bangkok Hotel G is located in the popular Silom area. Formerly a Sofitel, the 30-storey hotel features 469 stylish rooms with floor-to-ceiling windows. Targeting a young and design-conscious clientele, each of the rooms has been decorated in a chic manner with a boutique décor style.

Accor has also just opened Pullman Hotel G in the seaside town of Pattaya, a re-branding from Pattaya Aisawan.
