1. CHATRIUM HOTEL ROYAL LAKE YANGON

Project Overview

One of Yangon's topmost hotels, Chatrium Hotel Royal Lake Yangon, redesigned its lobby lounge. The decorative design and concept for the remodeling is derived from Myanmar lacquerware containers, a very unique Myanmar traditional form. The lounge is colored in bronze and gold and evokes a sense of shaded sunlight, while the outer terrace, created for relaxation, provides luxury chairs and decorative teak wood tables with a stunning landscape. The hotel is located along the famous Kandawgyi Lake and guestrooms enjoy stunning views of Shwedagon Pagoda.
