- Project 1: The Fullerton Ocean Park Hotel Hong Kong

1. THE FULLERTON OCEAN PARK HOTEL

Project Overview

Soft opened on July 18, the family-oriented Fullerton Ocean Park Hotel comprises 425 guestrooms. Nestled in the southside of Hong Kong Island with breathtaking views of the South China Sea, the 14-level hotel marks the brand's debut in Hong Kong and its first resort worldwide. The design of the hotel pays tribute to the early history of Aberdeen, once a bustling trading port filled with the fragrance of incense, earning Hong Kong its Chinese moniker 'Fragrant Harbor'. All 425 rooms enjoy panoramic views of the sea, while the 2 top-level signature suites both feature a private pool and an expansive outdoor terrace. To cater to families, the hotel uniquely has 9 rooms with children's themes as well as a The Explorers, a 600-square-meter indoor kids' zone with designs inspired by seven Hong Kong natural landmarks and heritage sites.
