**GARDE Malaysia hosted a seminar focused on trends in commercial facilities.**

Organized by GARDE Malaysia, this retail seminar explored trends and the future of commercial properties and took place at the Grand Hyatt Jakarta. Co-organized in collaboration with Asosiasi Pengelola Pusat Belanja Indonesia, the seminar garnered participation from over 50 representatives representing prominent Jakarta developers and Japanese tenant companies.

Seminar Contents Included:

- An introduction to the latest retail trends in Japan and abroad.
- Providing insights on global retail trends.
- Facilitating exchanges with key players from Japan.
- Anticipating the success of Japanese retail concepts in Indonesia, and more.

We believe that this event not only provided valuable analysis of global retail trends but also made significant contributions to fostering connections between Japanese companies and local enterprises. We hope that this event will pave the way for successful retail business ventures in the Asian region in the future.
