

## GARDE Participated in Shanghai GBE Commercial Industry Event

October 31 – November 1, 2024

The GARDE Shanghai office, along with other East Asia members, participated in the Shanghai GBE Commercial Industry Event held at the Renaissance Hotel in Shanghai on October 31 - November 1, 2024.

This year's event focused on the theme "Commercial Real Estate and Urban Development," bringing together key industry players, including real estate developers, design firms, and manufacturers. At the GARDE booth, we showcased our design achievements and engaged in conversations to strengthen our professional network.

At the GBE Commercial & Building Awards 2024, Nanchang JOYCITY—scheduled to open in May 2025 and designed by GARDE—was nominated and won the "Outstanding Experiential Commercial Space" award.
